SEAs and LEAs: Intersects and Use Cases

Thursday, April 7, 2022

9:00 AM - 10:15 AM	Often times, Ed-Fi infrastructure is used between LEAs and SEAs to ensure an efficient flow from information for state reporting and other use cases. This session will discuss the various intersects between LEAs and SEAs and tackle issues such as data collisions, managing descriptors and others agencies encounter.

⚠ These broad session notes attempt to capture the spirit of the discussion and should not be interpreted as a transcript. Although Ed-Fi Alliance staff were involved in capturing these observations, the notes below should not be construed as official, complete, or 100% accurate.
