Bootcamp - Using the ODS/API Admin App to Populate Learning Standards

Must have ODS/API v2.5 or v3.1 installed to follow tutorial steps.

If you are interested in taking advantage of the AB Connect (see "Ed-Fi Alliance and Certica Solutions Team Up in Learning Standards Initiative" from October 2018), please use the form below to request your free license:

https://certicasolutions.com/products/academic-benchmarks/#demo

Sample id/keys will be available in the lab as well to use generally.
